

New Beginnings ...

THE YEAR IN REVIEW:

ST. LOUIS AREA FOODBANK MEMBER AGENCIES ARRIVE ON FIRST DAY OF DISTRIBUTION

Representatives of the 500 Foodbank member agencies were invited to our new facility during a June 5th - Hunger Awareness Day - Open House. They saw firsthand the opportunities the new facility offers to better serve their needs.

INCREASED STORAGE CAPACITY: In 2007 the Foodbank acquired 11.2 million pounds of food for dry storage.

INCREASED COLD STORAGE SPACE: In 2007 the Foodbank acquired 2.1 million pounds of food for cold storage.

INCREASED DOCK SPACE: With our 13 docks, the Foodbank was able to process an average of 27 truckloads of food per month in 2007.

INCREASED VOLUNTEER ACTIVITY AND COMMUNITY OUTREACH: Our additional space now allowed greater development of our volunteer program. In 2007, 5,807 volunteers donated 17,977 hours helping us repackage food for local families in need.

All of these increases add up to more opportunities to feed hungry people and to educate the public about the problems of hunger.

LOCAL COMPANIES PROVIDE VITAL DONATIONS TO HELP SECURE NEW FACILITY

The St. Louis Area Foodbank is grateful to this community for their generous support. **With 100% participation from our Board of Directors and staff**, the following companies and foundations pledged their financial support to our ongoing expansion project:

The Boeing Company | Emerson - Charitable Trust |

Edward Jones Company | The William T. Kemper Foundation | Anonymous Family Foundation | Dana Brown Charitable Trust | Enterprise Rent-A-Car Foundation | The Taylor Crawford Foundation | AmerenUE | Pott Foundation | Maritz Inc. | U.S. Bank

FROM THE PRESIDENT AND DIRECTOR

Dear Friends,

We know that when you make a donation to the Foodbank, you are placing your trust with us. And trust is a precious gift - one that we work hard to earn each and every day.

So we are happy to report that for the 4th consecutive year, Charity Navigator - America's largest charity evaluator - has awarded its highest 4-star ranking to the St. Louis Area Foodbank for sound fiscal management. Only 5% of charities in the country have achieved that status. According to Charity Navigator, the Foodbank outperforms most charities in

America in efforts to operate in the most fiscally responsible way possible.

Locally, we also meet the United Way's Standards of

Excellence and the Better Business Bureau's Wise Giving Alliance Standards. These two organizations monitor fair and honest solicitation practices and promote ethical conduct by charitable organizations.

The enclosed audit of the Foodbank's finances shows almost 97 cents of each dollar contributed is spent on program costs - a figure we are very proud to report. Thank you for joining in the fight against hunger. We will continue to do everything we can to earn your trust until the fight is won.

Sincerely,

John J. Van Gels
Board President

NEW PROGRAM IN 2007 YIELDS BIG RESULTS

The St. Louis Area Foodbank provides hunger relief to 26 counties throughout Eastern Missouri and Southwestern Illinois. One of our most significant challenges has always been reaching the rural communities located within those 26 counties. In 2007, we began a "Food Fair" program specifically developed to target underserved areas.

Each Food Fair helps on average 200 families in need.

"We're fortunate to have dedicated volunteers in these communities that partner with us by

opening food pantries in these high need counties," said Frank Finnegan, Executive Director for the St. Louis Area Foodbank. "But, with the ever rising price of gas coupled with the growing need, many of them were finding it increasingly difficult to visit the Foodbank on a regular basis. We believe our Food Fair program has helped make up the difference."

Each month, in cooperation with a local partner agency, the Foodbank delivers three truckloads of nutritious produce and shelf-stable product to a rural community. Foodbank staffers and food pantry volunteers then distribute the food to 150-200 pre-qualified families in need.

In 2007, the Foodbank held more than 10 Food Fairs helping more than 2,000 families living in rural communities.

KEZK PARTNERS WITH FOODBANK FOR "CHRISTMAS IN JULY"

KEZK Soft Rock 102.5 partnered with the St. Louis Area Foodbank to collect food and funds during the station's "Christmas in July" event.

Listeners were encouraged to drop off food donations at area Dave Mungenast Automotive Family dealerships and select Heartland Bank locations throughout the month of July. Those unable to drop off canned goods were encouraged to make a donation online. For the first

time in its history, KEZK changed its regular programming and played Christmas music for 24 hours straight to raise funds and food donations for the St. Louis Area Foodbank on Wednesday, July 25. At the conclusion of the month, the

On July 25, 2007, Mayor Slay joined our efforts to declare the day as KEZK/Foodbank Christmas In July Day. L-R: Mary Ann Carson - KEZK, Mayor Francis Slay, Ed Goodman - KEZK, Frank Finnegan, Executive Director of the Foodbank.

event collected enough food and monetary donations to help provide more than 34,000 meals for local families in need.

HUNGER ADVOCACY DAY

The St. Louis Area Foodbank joined other Missouri food banks in Jefferson City on Wednesday, March 28, 2007, for Hunger Advocacy Day.

The focus of the day was to inform legislators about the hunger issues in our area and advocate for favorable policies on behalf of the hungry. And, our efforts were rewarded! We are pleased to announce that HB 453 - authorizing income tax credits for donations made to food pantries - passed in the House and Senate and was signed into law by the Governor.

TAX CREDITS SECURED FOR NEW FACILITY AVAILABLE TO DONORS

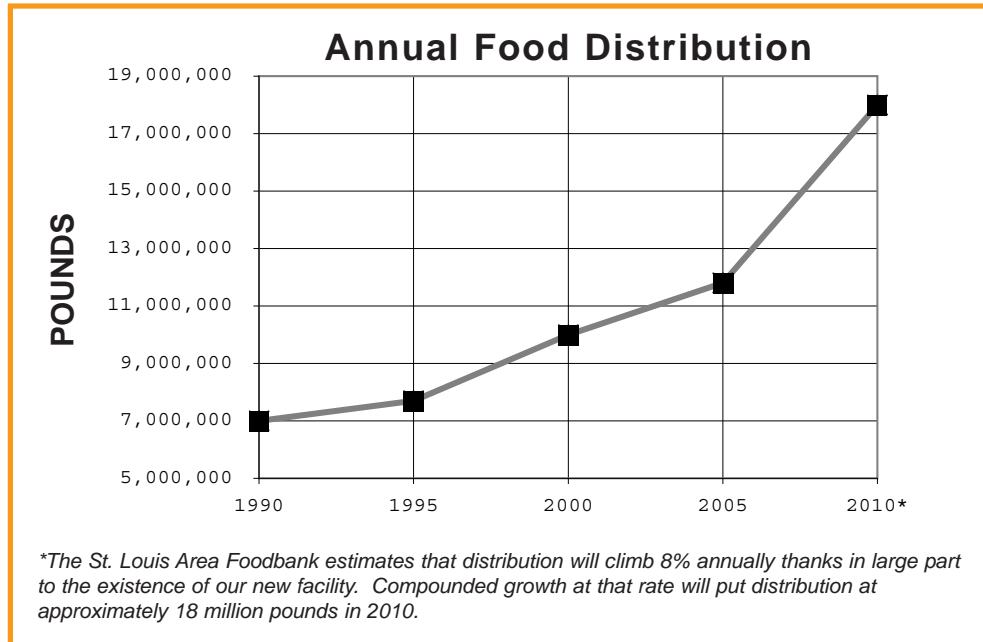

The St. Louis Area Foodbank secured 50% tax credits, through the Missouri Development Finance Board (MDFB) for new gifts of \$1,000 or more made toward the Capital Campaign by December 1, 2008. These tax credits are unique because they can be used, sold, or transferred to another tax payer. Interested donors simply make checks payable to the Missouri Development Financial Board and forward to Verletta Cole, Director of Development for processing. Donors are encouraged to call 314/292-5393 for more information.

There are many other moments that made 2007 a successful year. Please visit stlfoodbank.org to learn more.
